### "After All"

after all you were perfectly right  
but I'm scaring close to insanity  
and on a night like this  
nothing stays the same  
nothing looks the same

after all you were perfectly right  
our relation just split me in two  
and on a night like this  
pieces fall apart  
visions fall apart

after all you were perfectly right  
I have never been happy before  
and on a night like this  
you can hear the words  
see behind the words

after all you were perfectly wrong  
though I thought I'd found love  
and on a night like this  
nothing could be worse  
nothing could be worse
