

Cardigans, The "Black Letter Day"

Visit "[Black Letter Day](#)" on MotoLyrics.com

I did all that I should, well all that I could
but will I be clean
I did all that I should, well all that I could
but it isn't me
all my strength is dead and gone
slept as long I could, as long as I should
to find comfort here
slept as long I could, as long as I should
but I still have fear
all my strength is dead and gone...

(CHORUS)
black letter day
all the fun has gone away
black letter day
all the joy has gone away
black letter day
all the strength has gone away

I drank all that I could, much more than I should
in simple despair
I drank all that I could, much more than I should
to find someone there
all my strength is dead and gone...

(CHORUS)

I hope monday will be a better day
