Hi, how are you I'm pretty fine Your eyes are red, well I am tired Please stay away from what is mine Blah blah blah blah blah

My, I never thought of seeing you here I'm really glad to meet you darling Where did we lose it, will you call

All we ever say Is blah blah blah blah We feel safe With blah blah blah blah

No one's hurt No one's weird So all we ever say Is blah blah blah blah

Don't try to reach me I am numb And I don't want to look inside you So let's just talk about the times (Like normal people do!)
