I'm gonna watch you while you get me wrong  
I'm gonna sing until you hate this song  
I'm gonna tell you in my sweetest voice  
I'm gonna choose you 'cause you have no choice

This funny thing we got  
Is never gonna stop, oh no

I'm gonna take you to the wilderness  
I'm gonna show you things you might have missed  
I'm gonna kiss the parts that you have lost  
It's gonna cost you, but you might hurt less

This funny thing we got  
Is never gonna stop  
This funny thing we got  
Is never gonna stop  
Until drip drop teardrop

Will we ever learn?

I'm gonna work till we get it on  
I'm gonna love you till we get along  
And when your ears and your eyes are sore  
I'm gonna love you just a little bit more

This funny thing we got  
Is never gonna stop  
This funny thing we got  
Is never gonna stop  
Until drip drop teardrop

Will we ever  
Will we ever  
Will we ever learn?
