Oh girl, look at yourself, what have you done  
What have you become  
Well, I couldn't say  
Slow down and think of your heart, where do you go  
Now, how am I supposed to know, I'm always looking  
away

Give me your eyes so I can see me straight  
Give me your eyes  
I can't tell night from day  
Give me your eyes so I can see me straight  
Give me your eyes and watch me walk away  
Yeah, yeah, yeah  
I took a look at myself  
Nothing inside  
Except for cigarettes and wine where there should be a  
life  
You've been watching me for a while and you like what  
you see  
It's in the eyes of the beholder  
Now give them to me

Give me your eyes so I can see me straight  
Give me your eyes that seem to light my face  
Yeah, yeah, yeah  
Oh mirror, mirror upon the wall  
Who is the fairest of them all  
Mirror, mirror made no reply  
Mirror went black and cracked from side to side  
Yeah, yeah, yeah  
Oh girl, look at yourself, what have you done  
What have you become  
You know the camera don't lie  
Give me your eyes so I can see me straight  
Give me your eyes I can't tell night from day

Come give me your eyes so I can see me straight  
Give me your eyes and watch me walk away  
Yeah!

Give me your eyes

Give me your eyes  
Yeah, yeah, yeah!
