"Holy Love"

When you love, I can feel your love,
Shooting holes in my stupid pride.
When you love, I don't fear your love,
Of all the angels you are the most divine.

Holy love,
You can really have anything you want from me,
Anything you ask me to, I'll do.
We can live in poverty or prosperity,
Anything impossible, I'll try.
You can really have everything you ask,
And I'll be intimate with you,
Giving everything over,
To making everything right.

Holy love,
When you love, I can feel your love,
Shooting holes in my stupid pride.
When you love, I don't fear your love,
Of all the angels you are the most divine.

Holy love,
You can really make anyone you want of me,
Anyone you need tonight, I'll be.
Whether you want empathy, animosity,
An enemy or company, call me.
I can even be nothing if you ask,
I'll turn invisible for you,
I'm the bird on your shoulder,
Singing psalms through the night
Of holy love.

When you love, I can feel your love,
Throwing rocks through the windows of a monastery.
Love makes me feel
The super extra gravity
Of god, yeah!
And lifeâ€¦

When you love, I can feel your love,
Of all the angels you are the most divine.
