(I am Iron Man!)

Has he lost his mind?
Can he see or is he blind?
Can he walk at all?
Or if he moves, will he fall?

Is he live or dead?
Has he thoughts within his head?
We'll just pass him there.
Why should we even care?

(Oh, Iron Man!)

He once turned to steel
In that great magnetic field
When he travelled time
For the future of mankind

Now the time is here
For Iron Man to spread fear
Vengeance from the grave
Kills the people he once saved

Nobody wants him
He just stares at the world
Planning his vengeance
That he will soon unfold
No, nobody wants him
They just turned their heads
And nobody helps him
Now he has his revenge

Heavy boots of lead
Feels his victims full of dread
Running as fast as they can
Iron Man lives again!

(Oh, Iron Man!)
