A black cloud's hanging over town tonight,
But I don't mind,
I don't mind.
There's a cold breeze cutting through the summer air,
But I'm not scared,
I don't care,
'Cause we dance the night away.
Let's dance the night away, yeah!

The black cloud's whispering into my ear,
But I don't hear,
I won't hear,
'Cause the arms that hold me want an eye to eye.
He's touching me,
And I don't mind,
As we dance the night away.
Let's dance the night away!

Oh yeah!
The music wants me tonight.
What time will you let me down?
I look pretty good tonight,
Oh yeah!
Little black cloud,
Little black cloud,
I don't wanna go home.

The black cloud's circling over me tonight,
But I don't mind,
And you don't mind.
If you're cold I'll tell you it's the summer breeze,
Just dance with me,
We'll be alright.

Oh yeah!
The music wants me tonight.
What time will you let me down?
I look pretty great tonight,
Oh yeah!
Little black cloud,
Little black cloud,

I'm not done yet.

Hey, look at me!
The music wants me tonight!
What time will you let me down?
I look really great tonight,
Oh yeah!
Little black cloud,
Little black cloud,
I don't wanna go home,
I'm not done yet,
I'm not done yet!
