You're losing a friend  
You got it all wrong  
It's not about revenge  
You're losing a friend

I didn't see it coming  
With my head stuck in the sand  
But now I'm losing a friend  
And it's keeping me up  
It's the ribbons I tie  
I would rather just die  
Go to heaven crawl back  
And let you go

You're losing a friend  
You jephardise me  
Bad bad blood on your hands  
And see you're losing a friend

Im fickle and im vain  
And you trick me over and over again  
And now I'm losing you  
And it's killing me  
It's the strings that I tie  
I would rather just die  
Go to hell and crawl back  
And let it al by

My mistake..to lose you

Oh no.. Oh no.. So this is the end No, I'm losing you  
Ooh.. Look at you  
Look what you're wasting.  
You're losing a friend  
Oh no.. Oh no.. I'm losing a friend. Oh oho no..
