

## Cardigans, The "Nasty Sunny Beam"

I can't get out of bed  
can't get my dreams out  
of my sleepy head

I open up my eyes  
and wonder where you are  
but soon I realize  
that you're not real  
and I am...

in between of day and dream  
life and death a lazy stream  
in between of day and dream  
hello, goodbye  
you nasty sunny beam

I try to seal my mind  
get back to where you were  
you were that perfect kind  
you drove me crazy somewhere

(I'm floating down again  
and my world is a syrup waterfall  
I can't remember when  
or where  
or why)
