"Pooh Song"

when the cats and dogs is falling
I'm recalling you
you said I'd be bored today
and I don't know what I want to do

wise eyes tell me twice
dance like penguins in my table
ain't my kind of joy
on every Friday night

I'm just whistling on a song

when I'm out of milk and honey
I'm recalling you
when my walls are closing in
I always have a place to go

I'm just whistling on a song
songs I know / songs we wrote
songs I know / songs we wrote together
I'm just whistling on a song

when my world is far too evil
I'm recalling you
things are hard to understand
there's little that I really know
