This is a start
That I know I'll believe in
So I'm leavin' everything behind

Keeping the parts
That I know I'll be needing
And I breed to be a better kind
And I'm leavin' everyone behind
This is the age
When my past should be gone
But it's just stronger than the aims I have

Turning the pages
I used to hang on to
I was young and I have changed my mind

And I'm leaving everything behind

New beginning again
A bit closer
New beginning again
A little bit closer
New beginning again
A bit closer to the end

New beginning again
A little bit closer to the end

This is the time
It's a delicate line
To the beginning of what's yet to come
Lifetimes of changes
A strange generation
Explanations never come in time

So I'm leavin' everything behind

New beginning again
A bit closer
New beginning again
A little bit closer

New beginning again
A bit closer to the end

New beginning again
A little bit closer to the end
New beginning again
A little bit closer to the end
