guess who just got back today  
them wide-eyed boys that had been away  
hadn't changed, hadn't much to say  
but man, I still think them cats are crazy  
they were asking if you'd been around  
how you were and where you could be found  
I told them you were living downtown  
driving all the old men crazy

the boys are back in town

you know that chick that used to dance a lot  
every night she'd be on the floor, shaking what she'd  
got  
man, when I tell you she was cool and she was red hot  
I mean she was steamy  
and that time over at Johnny's place  
well, she got up and she slapped Johnny's face  
man, we just fell about the place  
If that chick don't wanna know, forget her

friday night they'll be dressed to kill  
down at Dino's bar and grill  
the drink will flow and blood will spill  
and if the boys wanna fight you'd better let them  
that jukebox in the corner blastin' out my favourite  
song  
the nights are getting warmer and it won't be long  
it won't be long till summer comes  
now that the boys are here again
