Once he gets a mystic call
Jump into his motorcar
Once we're rolling down the road
He's forgotten where to go

Travelling with charley
My detective darling

My agent hasn't solved a case
My agent never finds a trace
But charley has always style
Charley is always nice

Poor charley
He would be nothing without me

Once i clear his memory
But he'll crash into a tree
Once we're getting to the place
Someone else has solved the case

Travelling with charley
My detective darling

My agent hasn't solved a case
My agent never finds a trace
But charley has always style
Charley is always nice

Poor charley
He would be nothing without me
But i do love him
