Oh it's healing bang bang bang
I can hear your cannons call
You've been aiming at my land
You're hungry hammer's falling
And if you want me I'm your country

I'm an angel bored liked hell
and you're a devil meaning well
You steal my lines and you strike me down
Come raise your flag upon me
And if you want me I'm your country
If you win me I'm forever
Oh Yeah

'Cuz you're the storm that I believed in
and all this peace has been deceiving
I like the sweet life and the silence
But it's the storm that I believe in

Come and conquer and drop your bombs
cross my borders and kill the calm
Bear your fangs and burn my wings
I hear bullets singing
and if you want me I'm your country
If you win me I'm forever
Oh Yeah

'Cuz you're the storm that I believed in
and all this peace has been deceiving
I need some wind to get me sailing
So it's the storm that I believe in

You feed my heart you keep me breathing
'Cuz you're the storm that I believed in
And if you want me I'm your country
