"Fall In Love"

Why dont you wanna fall in love with me
Fall in love with me,
Fall in love just fall in love with me,
Fall in love, fall in love, fall in love

Get to talk to this girl right?!

Lately I been trying to get closer to you but
You never seem to notise me anyway
and you tell me it it's someting I do
Every time i come around you just walk away
You have been on my mind spinning around and
around and around like almost every day
I cant help this feeling I have inside
I hope that someday you fall in love with me

--Why dont you wanna fall in love with me
Fall in love with me, fall in love with me-- *4
