Well the sun is surely sinking down
But the moon is slowly rising
So this old world must still be spinning round
And I still love you

So close your eyes
You can close your eyes, it's all right
I don't know no love songs
And I can't sing the blues anymore
But I can sing this song
And you can sing this song
When I'm gone

It wont be long before another day

We gonna have a good time
And no ones gonna take that time away
You can stay as long as you like

So close your eyes
You can close your eyes, it's all right
I don't know no love songs
And I can't sing the blues anymore
But I can sing this song
And you can sing this song
When I'm gone
