I saw her standin' on the corner

A yellow ribbon in her hair

I couldn't keep myself from shoutin'

Look a there

Young blood, yeah young blood

(Oh, young blood)

I can't get you out of my mind

I took one look and I was fractured

I tried to walk but I was lame

I tried to talk but I just stuttered

What's your name?

Young blood, yeah young blood

(Oh, young blood)

I can't get you out of my mind

Her crazy stuff, she looked so tough

I had to follow her all the way home

Then things went bad, I met her dad

He said you better leave my daughter alone

Well, I couldn't sleep a wink for tryin'

I saw the risin' of the sun

And all night long my heart was cryin'

Why you're the one

Young blood, yeah young blood

(Oh, young blood)

I can't get you out of my mind

Young blood, yeah young blood

(Oh, young blood)
