[Rodney Jerkins:]

You know what this is already, man
It's something quite phenomenonal, man
Your boy, Darkchild, Def Jam, DTP, Let's Go

[Chorus:]

I just can't cry no more 'cause I'm over you
And I can't keep thinking about you
Too many things in my mind beside you
I seen things deeper than you, and
I just can't cry no more 'cause I'm over you
Over all the times you play me
Over all the stress and mess I don't need
Over all the stuff that hurt me and
I just can't cry no more

[Verse 1:]

Now there you go just buggin out
That's why I'm so through with you
Can't be playing games with you
Because the craziness come with you
And I just hate it
You'll never stop to think about all hardship I done seen
People shot in front of me
And I thought you change everything
But you playing the same, and I

[Chorus:]

I just can't cry no more 'cause I'm over you
And I can't keep thinking about you
Too many things in my mind beside you
I seen things deeper than you, and
I just can't cry no more 'cause I'm over you
Over all the time you play me
Over all the stress and mess I don't need
Over all the stuff that hurt me, and
I just can't cry no more cause I'm
Over you you you you [3x]
Just can't cry no more

[Verse 2:]

Now everytime I think about all things you put me
through
What was I suppose to do
I was in love with you
And I was falling
And you know what you was doing to me
When them broads would run their mouth
How you have them up in my house
You don't deserve me, shut your mouth
Save the talk, I'm out, And I

[Chorus:]

I just can't cry no more 'cause I'm over you (Cry no
more)
And I can't keep thinking about you (I'm so over you)
Too many thing in my mind beside you (Mind beside
you, yea)
I seen things deeper than you, and
I just can't cry no more 'cause I'm over you (Just can't
cry no more)
Over all the time you play me (Play me)
Over all the stress and mess I don't need (Don't need)
Over all that stuff that hurt me

[Bridge:]

(And I could never be) I could never be sucker woman
who scorn.
I've been fighting heavy since the day I was born
(Baby I'm a rider) 'Cause baby I'm a rider
I'm a soul survivor
(Oh Yeaaa) I could never be sucker woman who scorn
I've been fighting heavy since the day I was born
(Cause baby girl's a rider) 'Cause baby girl's a rider
(And I'm a soul survivor) I'm a soul survivor

[Chorus:]

I just can't cry no more 'cause I'm over you (I just can't
cry no more, nigga I'm over you)
And I can't keep thinking about you (See I hardly think
about you)
Too many things in my mind beside you
I seen things deeper than you (I seen things deeper
than you)
And I just can't cry no more 'cause I'm over you (I'm not
gonna cry no more)
Over all the time you play me ('Cause I'm walking out
that door)
Over all the stress and mess I don't need ('Cause I can't
keep crying)
Over all that stuff that hurt me and (It feels like I'm
dying)

I just can't cry no more cause I'm
Over you you you you (I can't see it coming down my
eyes)
Over you you you you (so I gotta make the song cry)
Over you you you you (No more sleepless night over
you, baby)
Just can't cry no more cause I'm

[Outro:]
Over you you you you [x3]
Just can't cry no more 'cause I'm
Over you you you you [x3]
