He don't know that I'm checkin' you

I'm so nervous, you got me open (Checkin' you)

He don't know that I'm checkin' ypu

[Verse 1:]

I was chillin' with my sister Eliza

And Tthat's When I peep you

You was standing right next to a brother

That was trynna holla to me

I try to keep my composure

As I saw you walk up on me

Oh look at the time I've wasted

'Cause I dissed your man, he might be hatin'

Cause he don't know

[Chorus:]

He don't know that I'm checkin' you

We getting closer, I'm feeling stronger (Checkin' you)

He don't know that I'm checkin' you

He don't know, Yea (Checkin' you)

He don't know that I'm checkin' you

I'm so nervous, you got me open (Checkin' you)

He don't know I'm checkin you

He don't know (Checkin' you)

[Verse 2:]

Here we are on the phone it's so crazy

Got me going over the stuff that you gave me

In the back, I can hear your boy talkin'

If he knew it was me, he be buggin'

I feel bad in the back of my mind

'Cause I think about it all the time

Turning him down then coming around with you

Sooner or later, he's gonna see I'm there with you

[Chorus:]

He don't know that I'm checkin' you
We getting closer, I'm feeling stronger (Checkin' you)
He don't know that I'm checkin' you
He don't know, Yea (Checkin' you)
He don't know that I'm checkin' you
I'm so nervous, you got me open (Checkin' you)
He don't know I'm checkin you
He don't know (Checkin' you)

Don't you just hate when a dude tryna holla to you
And you was just not feelin'

Since he damn near walked.
Now ya'll makin eye contact.
And you askin for a second drink
So you just feelin grown & sexy now
But here's the catch, you see
The same guy you wasn't checkin'
Was standing right next to the guy you are checkin'

[Chorus:]

He don't know that I'm checkin' you
We getting closer, I'm feeling stronger (Checkin' you)
He don't know that I'm checkin' you
He don't know, Yea (Checkin' you)
He don't know that I'm checkin' you
I'm so nervous, you got me open (Checkin' you)
He don't know I'm checkin you
He don't know (Checkin' you)

[Outro:]

He don't know that I'm checkin' (Checkin' you) [2x]
