[Talking:]

[Bobby:] Wassup baby

[Shareefa:] Wassup

[Bobby:] You still up?

[Shareefa:] Mmhmm

[Bobby:] I need some woman in me, girl, I missed you

[Shareefa:]

Hey babe, I've been waiting

Where you been all night

I was calling you

Baby, take off your coat

'Cause I'm gonna take good care of you

Come close, I need you

Don't you worry about anything

[Chorus:]

We've working late, baby

Now I'm home and you're here

No time to waste, I can't wait

Give me your lovin'

Off the clock, now home to to you

So tell if you ready to do

What we been waiting on

Give me your lovin'

[Bobby V.:]

Workin hard (so hard) on the clock

See you've been calling me, yea

Sounding so damn sweet plus you so sexy

Light the fireplace for me

I'll put a all nighter

I ain't working tommorrow

'Cause tonight is yours

[Chorus x2:]

We've working late, baby

Now I'm home and you're here

No time to waste, I can't wait

Give me your lovin'

Off the clock, now home to to you

So tell if you ready to do  
What we been waiting on  
Give me your lovin'

[Shareefa {Bobby V.}:]

{I miss your touch} I miss your body  
{Give me some more} We sweatin' like a safari  
{That was just round two} We can go on forever  
{But I need some juice} Leak it to a river

[Chorus x2:]

We've working late, baby  
Now I'm home and you're here  
No time to waste, I can't wait  
Give me your lovin'  
Off the clock, now home to to you  
So tell if you ready to do  
What we been waiting on  
Give me your lovin'

[Shareefa {Bobby V.}]
