Featuring Peter Gunz

Chorus: Peter Gunz

I'm sending rappers to heaven

So call me uplifting

I greet ya defeat ya

Take all your recognition

Be in the ignition first gear

I'm gone

Had the best to the worst confess my lyrics is strong

Verse 1: Shaq Peter Gunz

I was born to raise hell and cause havoc when I enter

Have the pin back hands up white flag surrender

What I'm into pulling stocks and bonds and cheddar

Gauaranteeing the world you can't find nuthin better

So whatever

Bring it the front and put your money by your mouth

Find your teeth and cash coming out

I bring drama to your momma if she want it

You think I'm fronitin' a fruad

Peter tell 'em how I want it

Aiyo Shaq the world is yours

But can I get a city

Gritty blocks shitty cops

Broads with tingo bittys

Hit 50 in the ruckus mutha

Is I happy

You callin me fraud but your broad's calling me daddy

While you pumpin dollar bottles on the floor looking

funny

I'm going drop hits with Shaq kid

And dirt getting money

Sunney days is made the pain it rains no more

The cash will last from now the guns hits the floor

Chorus

Verse 2: Shaq

Check it

Enrico dope like perscriptions from pharmacys

Injecting through speakers with no limit slash no mercy

The I'll beat seaker

I mystify minds like I'm a preacher

When I meet ya start convulsing like a seizure

You best beleive I got more tricks up my shirt sleeve

Expidiously I get loose like hair weave  
Which mc out there wanna come test me  
Put footprints in your chest like Kareem did me  
I run rhymes
