yo Shaq, where ya at?
Phife Dawg, I'm over here
yo Shaq, where ya at?
I'm over here
get on the microphone and just rip the track

Verse 1: Shaq

who the hell is Shaq Attack you'd better read the paper
treat me like Biz Markie you'd better catch a vapor
I've got mad props so why would you exploit
punch you in your face like that kid from Detroit
really yo you'd better ask MC Hammer 'bout this bad
mama jama
tall kid with the hoopa hypa lipta-gramma
watch out yo it's time for MC bashin'
got more loot than my man Johnny Cash and
I'm hard like a 360 twice jam
ask Dr. Dre and Ed Lover who's the man
I'm sure they'll say me brother please don't play me
like a shrimp
dunk it on your head then I'll point like Shawn Kemp
don't need the drink crooked I juice to get loose
my favorite cartoon is Bullwinkle the Moose
I'm 'bout to sting you like rubbing alcohol
yes yes yall call me Ed Jones cause I'm too tall
put the rhyme between my legs then I'll score
never mind a whore I wanna do a phat tour
come freak the style that the big Michelle display
you know the style that be my forttee

hey Phife, where ya at?
I'm over here

hey Phife, where ya at?
hey yo I'm over here
yo Phife, where ya at?
you know I'm over here
yo Phife, where ya at?
I'm over here
Phife Dawg, where ya at?
hey yo I'm over here
yo Phife, where ya at?
Phife Dawg is over here
yo Phife, where ya at?
hey yo I'm over here
get on the microphone and rip a funky track

Verse 2: Phife

it's the Phife and Shaq mission plus Shaheed's got the
goods
making rough daddy jams knocking harder than wood
make ya boogie with the fly armstrong crew
Phife Dawg and Shaq Fu this is how we do
funky renditions there's no competiton
split mc's apart as if their group was New Edition
make mc's hush stop look and listen
it's hard to comrehed so they commence to
remincising
far from an amateur microhpone damager
end your whole career beat down your manager
never was a herb kick you to the curb
there's more to my attitude than the city of
Johanesburg
styles are mean but this year they're even meaner
carrying chips on my shoulder so call me Sarafina
gaurantee ?? martin pissin' and a fartin'
mess around with this and you'll be on a milk carton
mc's don't like me I say tough titties
blow up the spot like my man from Jersey City
people always askin' 'why is Phife so cocky?'
I gotta be good at something cause I can't play hockey
you know the status and the status is live
the first draft-pick for the label called Jive

yo Shaq, where ya at?
I'm over here
yo Shaq, where ya at?
Phife, I'm right here
yo Shaq, where ya at
Phife, I'm right here
yo Shaq, where ya at?
Phife Dawg, I'm right here
yo Shaq, where ya at?
Phife, I'm over here

you can't front on the track 'cause the track is phat

Verse 3: Shaq, Phife

yo here I am again you'd better call the cops
pump up your Reeboks and ya just don't stop
I got mad styles you better sit and watch
I can kick it like he-he then I'll grab my crotch
yo it's 1993 I mean nineteem-ninety-Shaq
whatever year it is the Shaq will never slack
giving mad shouts to my homeys up in New Or'
on and off the court you know I do her

peace to that dog and peace to this dog
here comes the Phife Dawg aka the top dog
world's greatest 5-footer as if you didn't know
rhymes are like the Lord's lessons they constantly flow
mc's need to step on you see it is to ???
as long as the mic's on that's when I get my run on
battle anybody come bring your whole crew
you want the short black eskimo come see me in my
igloo
nasty like vomit couldn't clean it with comet
psycho like the Lords crazy like Onyx
forget the hes and shes and concentrate just on the
flow
Phife Dawg signing off enjoy the rest of the show
