Verse One: Shaquille O'Neal

You can't stop it, block it, when I drop it,
anytime I go rhyme for rhyme on a topic,
You ain't even fit to step in Shaq's arena,
I look into your mind and I see your shook demeanor,
In your eyes, why are you suprised,
no matter how you try, I'm fly as eliquie,
The new edition, is this the end of your last night,
in the day time you couldn't see me with a flashlight,
I crash flights on sights of my enemies,
I'm comin through, and then I bomb your whole vicinity,
why they actin fakin jacks, you're not a friend of me,
I peeped your card, you're not as hard as you pretend
to be,
who wanna spark it, with the chocolate macademian,
hand clean to the cranium,
you know the name, Shaq aim to maintain,
money on the brain, can't stop the reign

Chours:

You can't stop the reign,
when it starts to fall,
there's no one else to blame,
you can't unlock that door,

Verse Two: Notorious B.I.G.

Us knee-deep with killers, about million-dollar figures,
blessin' ----- in act legends, and vigers,
cream lizards, cream coochies, I do my duty
as long as they fly as me, and high as me,
success in my circle, try to break it, I'll hurt you,
ain't no gettin out that, I doubt that,
we want the exotic, erotic ladies,
not them toxic ladies, that burn a lot,
I learned alot, from junkies to ruffians,
from being tied up by Columbians, cause 80 grams
was missin,
listen, had to change my position,
from wanting to be large to head ----- in charge,
my garage, call it celo, 4-5's and 6's, honeys by the

mixes,
if it ain't broke don't fix it,
smoke out with Leo, Biggie Tarantino,
Size like a sumo, franc white numero uno,

Chours

Verse Three

Shaquille O'Neal:

7-0, towerin inferno,
invincible smooth individual,
who wanna test it, forgein or domestic,
no matter where you're from, I'm not the one you
wanna mess wit',
original with this style, livin lavish,
private jets to let my shorty shop in Paris,
I'm not the average, I'm far from the norm,
It's Daddy Long, keepin' it warm, hitting them strong,

Notorious B.I.G.:

A lime to a lemon, my D.C. women,
bringin in they G-minumums to condos with elevators
in them,
vehicles with television's in them,
watch they entourage turn your's to just mirages,
disappearin acts, strictly nines and macs,
killers be serial, Copperfeild material,
my dreams is vivid, work hard to live it,
any place I visit I got land there,
how can players stand there and say I sound like them,
hello,
push wigs back and push six coup's that's yellow,
bust clips that expands from hand to elbow,
spray up your days-inn, any telly you in,
crack-baggin, sick'a braggin how my mink be draggin,
Desert "E's", street sweepers inside the beamer
wagon,
I rely on Bed-stuy to shut it down if i die,
put that on your diamond 'bezzle,
you're messin with the Devil,
what,

Chorus
