R O C

Mmm

Mmm

Chorus:

I'm jading in the warm glow

Gotta desensitize

Beach front

The ocean view

And my young candy wife

I'm fading in the burning light

Gotta desensitize

And right now

I just wanna know that I'm alive

Everybody to the back of the bus

Lay low if you're making a fuss

The world saw the crowd

Producing the sound

It's flavor in your ear

Great stuff

Now y'all get down to the beat

Make magic with your feet

And clap to the rythm

And clap to the rythm

Let me hear hear your fucking scream

Yo

Uh

Check it out y'all

I'm a man of the world

And I'm standing still

Got a glimpse of the sun

And I like the way you dance

I'm banging on the walls

That prevent me from th esea

So don't get me wrong mama

I thank God for what I have

And I'll do it again

Chorus

Instrumental

So don't get me wrong mama
I thank God for what I have
And I'll do it again

Chorus 2x
