I can do anything / Just take a look at me
That's right I'm concurring / Oh oh ooh ohh
I said I'd reach the stars / Take 'em down and fill the
earth
Talking 'bout I won the war..

So high I can touch the sky / So far
I can reach the stars..
Clean hands and bare feet / There's no one but me /
And now I can see..

I'm on top of the world!!

I can do anything / Just take a look at me
That's right I'm concurring / Oh oh ooh ohh
I said I'd reach the stars / Take 'em down and fill the
earth
Talking 'bout I won the war..

Owh I can do anything / That you put infront of me
yeaaah
Clean hands and bare feet / There's no one but me /
And now I can say..

I'm on top of the world...!!
