So what, what do I do now  
Do what without you now?  
So what, what do I do now  
Do what without you now?

U told me that we would always be together  
Said we'd make it through the stormy weather  
But ya locked up now

U told me don't wait on the floor forever  
Said I gotta look for something better  
'Cause ya locked up now

I shoulda known from da corner of da block  
That you were wrong  
One day soon you'd be leavin' me alone  
But I gave you da digits anyway

Ooh, I had my doubts  
But you know how I like 'em thugged out  
Thought for sure  
I could change a thugs route

But a mans gonna be what a man wants to be  
No matter what ya say sometimes

You gave me fancy cars, diamonds and pearls  
But without ya here what is it worth?  
Not a damn thing  
Sometimes I cry in the rain for you

Ya wishin' things could be the way they were  
'Cause all the joy of love turned into hurt  
And I can't take the pain  
These pictures on the wall won't do

Gangsta u told me that we would always be together  
Said we'd make it through the stormy weather  
But ya locked up now

U told me don't wait on the floor forever  
Said I gotta look for something better

'Cause ya locked up now

I understand that in the game sometimes you lose ya  
man

But 25 to life wasn't in the plan, how do I pick up the  
pieces?

I keep fallin' to pieces, every time that I see you caged  
up

I kept prayin' everyday you'd wake up

But all the money somehow wasn't enough

I guess you had ya own reasons

Now it's only teasin' your all

You gave me fancy cars, diamonds and pearls

But without ya here what is it worth?

Not a damn thing

Sometimes I cry in the rain for you

Ya wishin' things could be the way they were

'Cause all the joy of love turned into hurt

And I can't take the pain

These pictures on the wall won't do

Gangsta u told me that we would always be together

Said we'd make it through the stormy weather

But ya locked up now

U told me don't wait on the floor forever

Said I gotta look for something better

'Cause ya locked up now

I've been gain it all, there's no need to fall

As long as I knew you'd come home

A simple 9 to 5 and some quality time

instead of catchin' up on the jail phone

I tried to let go 'cause ya tellin' me so

But I don't wanna move on

I'm down for mine but I'm tired of cryin'

I gotta face the fact that you're gone

U told me that we would always be together

Said we'd make it through the stormy weather

But ya locked up now

U told me don't wait on the floor forever

Said I gotta look for something better

'Cause ya locked up now

So what, what do I do now

Do what without you now?  
So what, what do I do now  
Do what without you now?

So what, what do I do now  
Do what without you now?  
So what, what do I do now  
Do what without you now?
