I start to run but this fear keeps wearing me out,
I try to stay still, but still I wanna scream and shout!
We have to hold down to schedule cause we're on our
way,
But from today I guess some things are gonna change!

Chorus:

I didn't see it coming!
Fire, fire!
Flames in the top of my heart, heart, heart
You're above me,
You're a liar, liar,
Even though you just got free,
Run for your life!
We're starting tonight!
Starting tonight!

I'm chasing time from the hours we've run through the
street,
Not slowing down, that in time almost facing defeat,
It starts to spread flaming red and it's closing us in,
I never knew,
Now I know how and where to begin!

Chorus:

I didn't see it coming!
Fire, fire!
Flames in the top of my heart, heart, heart
You're above me,
You're a liar, liar,
Even though you just got free,
Run for your life!
Fire, fire!
Flames in the top of my heart, heart, heart
You're above me,
Fight for your freedom!
Let it light up your life!
We're starting tonight!
Starting tonight!
And it's always been this way,
Fire, fire!

Flames in the top of my heart, heart, heart
You're above me,
Fight for your freedom!
Let it light up your life!
We're starting tonight!
Starting tonight!
Starting tonight!
Starting tonight!
