sally's got a thing for parties  
not only on a saturday night  
got me trippin' on coke and bacardi  
black and white  
it was a delegate situation  
models in designer clothes  
and some old boys conversations  
up her nose  
and i'm left here on my own

she's gonna get high tonight  
and then she'll loose your name  
high tonight  
shaking hands with fame  
high as a kite  
the loser wins the game  
tonight is her moment  
tomorrow it's gone away  
left without a trace

it's a party where love flew over  
the only thing left to do  
get some champagne supernova  
at the zoo  
do i find this beneficial  
wasting my time and days  
am i becoming so superficial  
in a way  
and i'm left here on my own

she's gonna get high tonight  
and then she'll loose your name  
high tonight  
shaking hands with fame  
high as a kite  
the loser wins the game  
tonight is her moment  
tomorrow it's gone away  
left without a trace

hight life

higher life  
one more  
white line  
white lines

she's gonna get high tonight  
and then she'll loose your name  
high tonight  
shaking hands with fame  
high as a kite  
the loser wins the game  
tonight is her moment  
tomorrow it's gone away  
left without a trace
