(Intro)

You know how I feel  
Without you  
Alone in this place  
You know I love you  
Yeah o-u-u-Å«

(Verse 1)

I close my eyes  
And one thing I can see  
Is your smile.  
Take my hand  
And never let it go-u-u-u yeah  
I can bring the stars  
I can bring anything you want to you u-u-u  
Cause cherish  
Is the only thing I can do for you.

Because of you  
I can't sleep tonight  
Because of you  
My heart can't find another lover  
Because of you  
Because of you  
Yeah you know it's all because of you

(Verse 2)

Another day  
In the same time  
I will be waiting  
So you and I  
Can be there  
Above the sky  
In my heart  
There always be a place  
For you for all my life  
Because of you  
It's all because of you

Because of you  
I can't sleep tonight

Because of you  
My heart can't find another lover  
Because of you  
I'll be there  
I will be there
