"The Chase"

Visit "[The Chase](#)" on MotoLyrics.com

Whom do you serve, breed of my bad blood, stronger
than steel, my evil kin?
My creed and my faith will build me an army strong to
conquer and end the
World of man

Hunt, hunt my whip on your shoulders
Hunt, hunt run like the wind
Hunt, hunt these are my orders
Hunt, hunt let the chase begin

Seek and destroy my savage warrior
With you I'm placing all my hope
To find the precious that will lift me to the sky
A new time will arise

Now track them down, they move from the Evergreen
they are alone and
Afraid, like the fools they are
Make no mistake, kill them all spare no one and what
they carry you bring
It all to me, no plunder

Hunt, hunt my whip on your shoulders
Hunt, hunt run like the wind
Hunt, hunt these are my orders
Hunt, hunt let the chase begin

Seek and destroy my savage warrior
With you I'm placing all my hope
To find the precious that will lift me to the sky
A new time will arise
