Have you seen the look of love on my babe's face  
Have you seen the way she smiles.

Well it makes me wonder how a simple man like me  
Be so lucky to have her for a wife  
To live in love for the rest of our lives  
Me and my wife.

Have you heard the way she sings her lullaby  
In her sleep the dreams she dreams are of me.

Well it makes me wonder how a simple man like me  
Be so lucky to have her for a wife  
To live in love for the rest of our lives  
Me and my wife.

Though time wont erase the smile from her face  
And her memory of those cold winter nights.

And it makes me wonder how a simple man like  
Be so lucky to have her for a wife  
To live in love for the rest of our lives  
Me and my wife.

Love grows stronger by the day and it's needless to  
say  
That she'll be staying by my side  
That's all I've got to say thank you for your time of day  
I must be on my way.

And I still wonder why a simple man like me  
Be so lucky to have her for my wife  
To live in love for the rest of our lives  
Me and my wife.
