Everytime the lights go out  
I think I see your face  
He invades your dreams  
There is no escape  
Another night of terror  
As he watches as I sleep  
The devil's his friend  
Your soul he will keep  
Horror! Can you hear me  
Nothing can save me  
From his grip  
Horror! Please release me  
He's got you secured  
Now, you're in for it

Chorus:  
Worst nightmare has come true  
Horrortech Horrortech  
Nothing you say will help you  
Horrortech Horrortech  
Tools of death, he'll use on you  
Horrortech Horrortech  
The basement is where he keeps you!

He keeps you!

Chorus:  
Worst nightmare has come true  
Horrortech Horrortech  
Nothing you say will help you  
Horrortech Horrortech  
Tools of death, he'll use on you  
Horrortech Horrortech  
The basement is where he keeps you!

Horrortech 16X

Don't let him find you all alone  
He'll cut you up in pieces and brake all your bones  
He is the one to fear  
Technician of Doom
