All I can remember is the skyline going black  
I woke up on this hill  
Now everything is blank Hey!  
I'm living off whatever things  
My body can ingest  
Where is everybody?  
Have I survived the end? Hey!  
I have to get to town  
Where I can find out what is up  
Get my bearings straight  
Bad feelings in my gut Hey!  
Find more people  
We can start to build this life again  
I wonder if I am the only living in the end

Chorus:  
Am I the last?  
One on earth  
Who's to blame?  
What's it worth?  
Am I the last one on earth?

Am I the last?  
One on earth  
Got to start  
With a birth  
Am I the last one on earth?  
One on earth

I'm heading south to warmer weather  
I'm preserving me  
A fortress must be built  
Safety is the key Hey!  
I'm feeling strong, I'm feeling good  
I'm feeling like I'm free  
If no one is around then there is no one stopping me  
Hey!  
I went from being lonely now  
I will create my world  
All to my design  
New plans I will unfurl Hey!

Now I want to live more than I ever wanted to  
There's not one rule that regulates me on what I can do

Chorus:  
Am I the last?  
One on earth  
Who's to blame?  
What's it worth?  
Am I the last one on earth?

Am I the last?  
One on earth  
Got to start  
With a birth  
Am I the last one on earth?  
Am I the last one on...  
Earth

Now I believe  
It's to be free

New World New Rules  
All win. No lose  
Fortress  
My Own Failure  
Will not exist now
