My body calls won't you pick up
It's been too long since I've had loving
Do you got time to rock this joint
It's unusual but I'm just trying to get to the point

Now what do I gotta do to get some
How long is it taking you to get from
Wherever you be
I need you right away

Bout to do sumthin', sumthin', sumthin'
I don't normally do
Trying to get sumthin', sumthin', sumthin'
Soon as I get wit you
I'm gonna
Drop a lil' sumthin'
Ride a lil' sumthin'
I've been waiting to
Put a lil sumthin' sumthin' on you
My water's on
I'm all worked up
The table's set come get your dinner
Don't be afraid
Just jump right in
It's unusual but you gotta know what this is

Now what do I gotta do to get some
How long is it taking you to get from
Wherever you be
I need you right away

Chorus

I don't always feel this way
I don't always want it
But I'm having one of those days
Fire
Up in here, I'm burning hot
I'm on fire
Baby got it right for you so all you gotta do is come thru

Chorus
