Turn off your mind, relax and float downstream
It is not dying, it is not dying
Lay down all thoughts, surrender to the void
It is shining, it is shining
That you may see the meaning of within
It is being, it is being

That love is all, that love is everyone
It is knowing, it is knowing
But listen to the color of your dream

It is not dying, it is not dying
It is not dying, it is not dying
It is not dying

Turn off your mind, relax and float downstream
It is not dying, it is not dying
Lay down all thoughts, surrender to the void

It is shining, it is shining
It is shining, it is shining
It is shining, it is shining
It is shining, it is shining
It is shining, it is shining
