I tried to change in every way
To let behind the rainy days
I tried to be somebody else
Cause I was dying with the music still inside

I've been lying not only to myself
I've been hiding behind somebody else
I've been far, so far away from life
So far that I just I couldn't see the light

Shake me, wake me
Oh, I have slept enough
I'll never let you go
If you teach me

CHORUS:
Take me by the hand,
Before I reach the end
Take me by the hand,
And show me who I am

Whatever price I have to pay
I am prepared, and I will stay
I put my fate into your hands
And I'll you follow wherever you decide

Shake me, wake me
Oh, I have slept enough
I'll never let you go
If you teach me

Take me by the hand,
Before I reach the end
Take me by the hand,
And show me who I am

Take me by the hand,
Before I reach the end
Take me by the hand,
And show me who I am
