We're down by the ocean
We're swimming by the see...
Oh yeah
And there's my darling
She's a happy as can a be
Oh what a day I see her smile
I know it's for me
I just wanna be...
The best that I can be...
Hey and so I say(a)

[Refrain:]

Helena Helena... nanananana
Look into my eyes... right into my eyes
Helena Helena... nanananana
Cause time starts to stand still...
When I look into your eyes

Sometimes it's hard now
But I know I find a way
So many things on my mind
So many things I want to say
But in your way...
You get me too
Realize that I can not do...
He best that I can do...
Hey and so I say(a)

[Refrain]

Helena Helena... nanananana

Come on and look into my eyes...
Right into my eyes
Helena Helena... nanananana
Cause time starts to stand still...
When I look into your eyes

You take me to go dancing
Underneath the waterfall
See the rainbow make a me go
Dancing underneath the waterfall

Free as a bird
My bella Helena Helena bella
Helena Helena bella Helena
My bella Helena Helena
Bella Helena Helena...
Keep me up all night(a),
Keep me up all night(a)
Yeahhhhh

[Refrain]
Helena Helena... nanananana
Come on and look into my eyes...
Right into my eyes
Helena Helena... nanananana
Cause time starts to stand still...
When I look into your eyes
