Well there's a little juke joint on the outside of town

Where the cats pick 'em up and lay 'em down

You get your gal, I'll get mine

And we'll get together and we'll have a good time.

We'll dance a little bit to the bop, to the bop

Dance a little bit to the bop

We'll dance a little bit to the bop

We'll now dance to the rock 'n' roll.

Yeah now, dance, dance, dance

Well, dance, dance, dance

Yeah now, dance, dance, dance

Well, dance, dance, dance

We'll now dance, well dance to the rock 'n' roll. (Now got it, git it)

Well the cats come rockin' in two by two

Some come single like me and you

Dancin' to the bop is their delight

Well when they get right, they'll dance all night.

They'll dance a little bit to the bop, to the bop

Dance a little bit to the bop

Dance a little bit to the bop

Well now dance to the rock 'n' roll.

Yeah now, dance, dance, dance

Well, dance, dance, dance

Yeah now, dance, dance, dance

Well, dance, dance, dance

Well now dance, well dance to the rock 'n' roll.

(Yeah, now rock it)

Yeah...We'll dance a little bit to the bop, to the bop

Dance a little bit to the bop

Dance a little bit to the bop

Well now dance to the rock 'n' roll.

Yeah now, dance, dance, dance

Well, dance, dance, dance

Now, dance, dance, dance

Well, dance, dance, dance

Well now dance, well now dance to the rock 'n' roll.
