Does your secret bring you pleasure?
Does your pleasure bring you shame?
Does your shame turn to anger?
Why am I the one you blame?
Hear the lies that you're speakin'.
Did you think I'd never know?
Somewhere between your words I'm seein'
What you never thought would show.
I've been looking through the eyes of a stranger.
A girl that I thought I once knew.
I've been looking through the eyes of a stranger.
Girl now when I look at you.
(chorus)
Last night I came home too early.
I heard you talkin' on the phone.
Why's the one who's always closest
Always the last there is to know?
When we spoke I felt in danger.
Now you didn't even care.
In your eyes I was a stranger.
Like I, like I wasn't even there.
