Ahh

Where do we go now?

I don't know

Innocence over

Fading fast

And it's hard to know what you're thinking

When you hide inside your head

You're still promising perfection, perfection

With empty words

With empty words

With empty words

With empty words

And it's hard to break a habit

You're lost inside it

Who do you love now?

And it's hard to break a habit

You're lost inside it

Who do you love now?

Who do you love now?

Who do you love now?

A moment of coldness

Cuts through me [cuts through me]

I've tried to remember

Why I don't leave [I don't leave]

And you're the cause of my confusion

Closing down the way I feel

How come I don't see so clearly, so clearly

Fighting to breathe

Fighting to breathe
Fighting to breathe
Fighting to breathe

And it's hard to break a habit
You're lost inside it
Who do you love now?

And it's hard to break a habit
You're lost inside it
Who do you love now?

Who do you love now?
Who do you love now?

Who do you love?
Who do you love?
Who do you love?
Who do you love?
Who do you love?
Who do you love?

And it's hard to break a habit
You're lost inside it
Who do you love now?

And it's hard to break a habit
You're lost inside it
Who do you love now?

And it's hard to break a habit
You're lost inside it
Who do you love now?

And it's hard to break a habit
You're lost inside it
Who do you love now?

Who do you love?
Who do you love?
Who do you love?
Who do you love now?

Who do you love?
Who do you love?
Who do you love?

Who do you love now?
