Shot in the dark
I'll wait for your
Dull gold heart
I'll wait

Must give it away
Laid to rest
Save themselves
Please
Promise me now
All your love
You won't, you won't

I've got all you've waited for
I've got all you need

Shot in the dark
I'll wait for your
Dull gold heart
I'll wait

You, you on your own
Let me down
Let me down
Never stand in my way
Your blood red heart
Will stay
Will stay

I've got all you've waited for
I've got all you need

Shot in the dark
I'll wait for your
Dull gold heart
I'll wait
