You got to be honest
You got to be guarded
Sure I'm gonna say

Right on the inside
That is the hardest
The hardest game to play

We sorted it all out
And managed to slip through the night into the day

I found a soul
Do you ever get lonely
I'm gonna take you home

Found a way to understand the things I'm learning
Found a way to understand the time you're burning
Found a way to understand the things I'm learning
Found a way to understand the time you're burning

You got to be honest
You got to be guarded
Sure I'm gonna say

Right on the inside

That is the hardest
The hardest game to play

We sorted it all out
And managed to slip through the night into the day

I found a soul
Do you ever get lonely
I'm gonna take you home

Found a way to understand the things I'm learning
Found a way to understand the time you're burning
Found a way to understand the things I'm learning
Found a way to understand the time you're burning

I'm gonna take you home

You got to be honest
You got to be guarded
Sure I'm gonna say

Right on the inside
That is the hardest
The hardest game to play
