Pull up out the front, you see the club glow
You see a man at the door then you say hello
And the beating in my heart, music starts to grow
It's time to step up now

Even though I think I'm scared to dance
Gotta get a drink and pour it down
Try to move around now to the sound
It's time to stand up, stand up, stand up, stand up

Ooh, why do you always keep me waiting?
And now I'm falling for you
Ooh, out on the floor we keep on moving
I can't let you out of my sight

Got this picture in my mind now that you're my friend
Brush against your hair, it smells like peppermint
Can you read those messages that I sent?
It's time to step up now

Even though I think I'm scared to dance
Gotta get a drink and pour it down
Try to move around now to the sound
It's time to stand up, stand up, stand up, stand up

Ooh, why do you always keep me waiting?
And now I'm falling for you
Ooh, out on the floor we keep on moving
I can't let you out of my sight

Do you wanna get close?
Do you wanna be mine?
Now you're standing here by my side
Do you wanna get close?
Do you wanna be mine?
Now you're standing here right by my side

Na, na, na, na, na, na, oh, oh, oh
Na, na, na, na, na, na, oh, oh, oh
Na, na, na, na, na, na, oh, oh, oh
Na, na, na, na, na, na, oh, oh

Ooh, why do you always keep me waiting?
And now I'm falling for you
Ooh, out on the floor we keep on moving
I can't let you out of my sight

Na, na, na, na, na, na, oh, oh, oh
Na, na, na, na, na, na, oh, oh, oh
(I can't let you out of my sight)
Na, na, na, na, na, na, oh, oh, oh
Na, na, na, na, na, na, oh, oh, oh

No, don't keep me waiting
(Na, na, na, na, na, na, oh, oh, oh)
No, don't keep me waiting
(Na, na, na, na, na, na, oh, oh, oh)
No, don't keep me waiting
(Na, na, na, na, na, na, oh, oh, oh)

No, don't keep me waiting
(Na, na, na, na, na, na, oh, oh, oh)
No, don't keep me waiting
(Na, na, na, na, na, na, oh, oh, oh)

Na, na, na, na, na, na, oh, oh, oh
Na, na, na, na, na, na, oh, oh, oh
Na, na, na, na, na, na, oh, oh, oh
