I want to send This love to you
I want to send This love to you
I want to send This love to you
I want to send This love to you

I want to send This love to you
I want to send This love to you
I want to send This love to you
I want to send This love to you

Today, I wrote this letter
To you my lovely boy
You do know I'm always here for you
I'll be right here by your side whatever you go through

My dearest friend this love I have for you
Is real and I am still so in love with you
I hope you know that you are my first Love

My lovely boy please stay
Close beside me always and forever

(PRESTO's Verse)

Today, I send a message to...
To you from my heart
And I said that I'm here
I'm by your side I want to send my love

I care for you you know it is true
When I say I love you no one can make me feel
This way but you I have a tentative I love you

My only love again you stole my heart
I love you first and forever
I always will

My lonely heart is missing you I do not know what to do
But will still love you but please tell me WHY?
I love you can you hear me baby

(PRESTO's Verse)

My lovely boy please stay
Close beside me always and forever

My only love again you stole my heart
I love you first and forever
I always will

I want to send This love to you
I want to send This love to you
I want to send This love to you
I want to send This love to you

I want to send This love to you
I want to send This love to you
I want to send This love to you
I want to send This love to you
