Good-bye Good-bye Good-bye  
Why did I say  
Good-bye Good-bye  
Why did I say  
Good-bye Good-bye

Today I said good-bye  
This pain just hurts too much  
He try's to make it work  
But I've been through too much  
I hate this part right here  
Try not to shed no tears  
We try to make it work  
But all it did was hurt

I realize that this hurts you the most  
It's like I walked right out your door  
I feel I hurt you but didn't wanted too  
So as of now I'm sorry boo

I didn't have to say Good-bye  
I didn't have to make you hurt  
But everytime I hear your voice  
I can't help but think how I miss you  
I didn't wanna have to cry  
I didn't wanna hurt myself  
I didn't wanna but I did it I admit  
And I'm so sorry I hurt you

Good-bye Good-bye Good-bye  
Why did I say  
Good-bye Good-bye  
Why did I say  
Good-bye Good-bye  
Good-bye Good-bye Good-bye

After I said Farewell  
I cried and cried again  
I try to make it work  
But I've been through too much  
This time it's all my fault

I wanted you so much  
I did what's best for me  
But Promise just don't leave

Because what hurts the most is if you go  
I said Good-bye not forever  
Coz that would hurt me if I would see you leave  
So as of now please stay don't leave me

I didn't have to say Good-bye  
I didn't have to make you hurt  
But every time I hear your voice  
I can't help but think how I miss you  
I didn't wanna have to cry  
I didn't wanna hurt myself  
I didn't wanna but I did it I admit  
And I'm so sorry I hurt you

Good-bye Good-bye Good-bye  
Why did I say  
Good-bye Good-bye  
Why did I say  
Good-bye Good-bye  
Good-bye Good-bye Good-bye

Good-bye Good-bye Good-bye  
Why did I say  
Good-bye Good-bye  
Why did I say  
Good-bye Good-bye  
Good-bye Good-bye Good-bye
