Oh, you ask me why you say
You want to be with me
But you're still in love with me
And I just want to breathe

The way you move and sway
I'm resigned to say it's true
Oh, you're the only one to blame
That our love has fallen through

Stop, I don't love you anymore
Oh, stop
Stop, I don't want you anymore
Oh, stop

Oh, I'm all cried out and now
I've got to put your mind at ease
You're still in love with me
And I gotta make you see

The fact of here and now
I won't deny, I can't erase
Oh, you're the only one to blame
So take that look off your face

Stop, I don't love you anymore
Oh, stop
Stop, I don't want you anymore
Oh, stop

You know I wanted so much more
I want it better than before
You know you didn't get it right

Gotta stop, I don't love you anymore
Oh, stop
You gotta stop, I don't want you anymore
Oh, stop
You gotta stop, gotta stop
Oh, stop
You gotta stop
