Believe in your self ima sugu ni
Don't ever say you can't find your way
Don't listen to what they say
Ni dakega ni dakega ni dakega
Can be a SUPER GiRL
You are a SUPER GiRL

Another day at school you can't wait untill it ends
You think about everything today and what people may
say
To you

Don't put that stuff in your head
I know school seems like it's hell
Just look to your future and you can prove them all
wrong
Believe that you can do it put your mind into it
Always believe in yourself see'n is believe'n

Remember you hold your own destiny

Believe in your self ima sugu ni
Don't ever say you can't find your way
Don't listen to what they say
Ni dakega ni dakega ni dakega
Can be a SUPER GiRL
You are a SUPER GiRL

7th period and your being ridiculed
People they talk about you and mock the things you do

HEy GiRL keep your head up
You know you can do it
Don't take in what they say they are just jealous
Come on you can move on forget about what they say
I believe in you you have to believe it to

You can move on just hold on come on girl

Believe in your self ima sugu ni
Don't ever say you can't find your way

Don't listen to what they say
Ni dakega ni dakega ni dakega
Can be a SUPER GiRL
You are a SUPER GiRL

You said "ienai kotoba how I feel"
Trust me I know how that feels
Sore wa not forever
Just believe in your self then I said
There goes a SUPER GiRL

Believe in your self ima sugu ni
Don't ever say you can't find your way
Don't listen to what they say
Ni dakega ni dakega ni dakega
Can be a SUPER GiRL
You are a SUPER GiRL

(Believe in your self ima sugu ni)
You got to believe it... you
(Don't listen to what they say)
It doesn't matter any way
Ni dakega ni dakega ni dakega
Can believe in you
