Feel it inside!

I feel the crowd, the DJ's spinning going all out,  
Tonight, the party's on I'm rocking the house,  
Miss Brown is coming to town, the music's playing out  
loud,  
On and on, on and on

I'm gonna give it my all, I wanna shout out loud,  
A moment to free everything we're holding,  
I will leave you with this song and one more chance,

To feel it inside, and when you're losing your mind,  
yeah!  
It'll heal you, touch you, and free you, relieve you,

Na nana nana, and my heart it's saying  
Na nana nana, 'cause when you sing it,  
It's music to my mind,  
Music to my heart,  
Music, music, hear it!

I feel it inside!  
Na nana nana, and my heart it's saying  
Na nana nana, 'cause when you sing it,  
It's music to my mind,  
Music to my heart,  
Music, music, hear it!

Scream and shout!  
I wanna see you raising your hands.  
Now clap, start dancing to the beat that we bring.  
I hear you calling my name,  
The chants that drive me insane,  
And I just wanna see it free!

To feel it inside, and when you're losing your mind,  
yeah!  
It'll heal you, and touch you, and free you, relieve you,

Na nana nana, and my heart it's saying

Na nana nana, 'cause when you sing it,  
It's music to my mind,  
Music to my heart,  
Music, music, hear it!

Na nana nana, and my heart it's saying  
Na nana nana, 'cause when you sing it,  
It's music to my mind,  
Music to my soul,  
Music, music, hear it!

Feel it inside!

Na nana nana, cause everything I do  
I do it with you

Na nana nana, and my heart it's saying  
Na nana nana, 'cause when you sing it,  
It's music to my mind,  
Music to my heart,  
Music, music, hear it!

Na nana nana
