Mama I don't wanna kill no more
Not for a hill gold or a hill of beans
Not for my love of the speed of light or shiny things
Salvation of sins is certainly not for peace

Mi lelolai a mi Yaweh
Oye su lelolai mi Yaweh
Tenga su lelolai mi Yaweh
Vuelvo, abrazame, ven ven ven, abrazame

Maybe I shouldn't talk so much
Going on about who I am and who I am not
One of these days I'll fuckin' learn to shut my mouth
The universe my child, exactly what I'm about

Ai, mi lelolai a mi Yaweh
Oye su lelolai mi Yaweh
Tenga su lelolai mi Yaweh
Vuelvo, abrazame, ven ven ven, abrazame

I know what cool sunny day
I know where we'll be
And now what a bright shiny jewel for all little children...

Please just let walk into the shade
Throw their tiny hands up in the air
Do a little dance of they please
Get up off their knees for the God of their dreams

Ai mi lelolai a mi Yaweh
Pero tenga su lelolai mi Yaweh
Ojala oye su lelolai mi Yaweh
Vuelvo, abrazame, ven ven ven, abrazame

So they can say Mama, I ain't gonna kill no more
Not for a hill a gold or a hill of beans
Not for my love of the speed of light or shiny things
I pray some presidents, I told kings and queens

Mi lelolai a mi Yaweh
Ojala oye su lelolai mi Yaweh

Pero tenga su lelolai mi Yaweh
Vuelvo, abrazame, ven ven ven, abrazame

Oye su lelolai mi Yaweh
Vuelvo, abrazame, ven ven ven, abrazame

Tenga su lelolai mi Yaweh
Vuelvo, abrazame, ven ven ven, abrazame
